

Asset raising and the importance of brand

Peregrine hosted a breakfast event on the 7th July to discuss asset raising and the importance of the brand. Attendees included Brevan Howard, Cheyne, Axiom, Abbeville and Roxbury.

The discussion was led by Tim Bell who is the former Head of Alternative Investments at UBS, where he had responsibility for approving hedge funds for use within UBS Wealth Management on a global basis and was an early mover in the UCITS space. To download the event brochure, please [click here](#).
